AVOID FALLING FOR FRAUD! IntegraTEC™ never sells their databases

We have received reports from our exhibitors, allies, and visitors, alerting us about emails offering for sale the database of attendees, exhibitors, and sponsors of IntegraTEC™. **We wish to make clear that the databases of our event are NOT AVAILABLE for sale, we have never offered this information.**

Any communication via email, instant messaging, or any other channel, claiming to have the contact list of any and all IntegraTEC™ participants is **100% Fraudulent**. IntegraTEC™ does not sell, rent, lease, or exchange our participants' contact information, in any case.

Please keep this notice in mind, and notify us at suscripciones@latinpressinc.com e-mail if you receive any type of communication claiming to have the IntegraTEC™ database or claiming to act as a representative of third parties of our exhibitors because **it is false and fraudulent information**.

We also recommend that you avoid replying or interacting in any way with such offers, and disregard messages received from accounts without a corporate domain, such as Gmail, Yahoo, Outlook, etc., as well as from already identified fraudulent domains, such as:

Informleads.com, International Fairs Directory (Inter-Fairs.com), Expodeal.live, Expodeal.info, tradeinfodata.com, Expo Guide, FairGuide.com, ConstructDataVerlag.com, MarketingInfoZone.com, ZoomAppend.com, DataMarketMedia.com, WisdowTargets.com, WWTechData.com, VisitorzData.com.

We regret any inconvenience these spammers may cause you. We also receive these fraudulent emails at **IntegraTEC™** and its organizing company, **Latin Press Inc.** We also invite you to report all such messages as SPAM in your mailbox. Please note that all official notifications from IntegraTEC™ and its organizing company come from emails with the verified domains **@integratec.show** and **@latinpressinc.com**.
